CORPORATE PROFILE

SingHealth Polyclinics, a leader in family medicine, provides seamless, patient-centred and preventive healthcare that is affordable and accessible to all.

SingHealth Polyclinics' network of 9 polyclinics provides primary healthcare services to the community. It plays an integral role in promoting a healthy lifestyle within the community and empowering families with the knowledge of common health issues, care and treatment options.

SingHealth Polyclinics is a member of Singapore Health Services (SingHealth) - a public healthcare cluster which also manages three hospitals and five specialty centres.
